DJ SET

FAUSTINI

Born in São Paulo, Ney Faustini is a producer and DJ as eclectic as the immensely diverse city's musical scenario. He's got an unbreakable commitment to music from every origin and style. Faustini has performed in legendary Brazilian clubs such as D-Edge, Warung, Pacha, Vegas, Trackers, Lov.e and Clash, and also in renowned festivals like Rock in Rio, Dekmantel, DGTL and Tribaltech. In 2013, he was recognized as "Best Newcomer" by RMC - Rio Music Conference, was selected for the first edition of Boiler Room in Brazil and staged two European tours.

His reputation as one of the most prolific Brazilian producers has been certified by from all over the world. In addition to his authorial work, Faustini's edits for artists such as Talking Heads, Tim Maia, Adele and The Clash have already been featured in DJ sets world wide.
