

# CAIO T

DJ SET

Also known as Caio T, Caio Taborda is one of the creators of Gop Tun - a label that shaped and gave worldwide prominence to São Paulo's electronic music scene. He is considered one of the most active DJs in Brazil over the last 10 years. For more than a decade, Caio T has been performing, transforming and playing in different parties around Brazil or planning the next steps of Gop Tun crew. In his gigs, he is able to travel through the most varied styles and genres.

Caio T has been seen and heard in some of the most diverse environments and atmospheres, showing repertoire and energy to fill virtually any space - whether in Brazil, in the US or in Europe. A tent by the beach on the northeastern coast of Brazil? An abandoned hangar in São Paulo? A party in the Amazon rainforest? In all these scenarios, Caio T has performed memorable sets, moving from one side to the other and putting everybody to follow his pace while he spreads good music and vibes all over the dancefloor.
